RELY BTL Production & Services invests in an HP FB500 Flatbed printer

RELY BTL Production & Services specializes in the design and fabrication of added value display and merchandising units, light boxes, signage, "shop in shop" units, kiosks and exhibition stands.

RELY BTL Production & Services produces everything in house and can be fabricated in wood, metal, acrylic, glass, fiber glass, styro foam and many other materials.

The investment in the HP FB500 flatbed printer makes it the ideal fit for RELY BTL Production & Services since it can virtually print on any rigid or flexible substrate.

The FB500 allows you to load, print and collect media simultaneously. Print at the speed and quality of your choice, up to 1200 x 600 optimised dpi. Rely on a robust and reliable design that does not need daily printhead maintenance. The FB500 allows you to save as well space with the tables being easily folded and stored.
