

DuPont Packaging Graphics and DuPont Graphics at Labelexpo 2011

DuPont Packaging Graphics and DuPont Graphics are inviting visitors attending Labelexpo in Brussels, from September 28 to October 1, 2011, to visit their stand at Hall 11, Booth Q25, where they will showcase their latest innovations. DuPont Packaging Graphics will feature new technology in flexographic workflows, which bring improved productivity, excellent quality, and a respectable environmental profile to the narrow-web industry.

DuPont continues to innovate and advance flexo enabling users to achieve gravure-like quality, precise registration and highest speed to market through their high-level solutions: DuPont™ Cyrel® round and Cyrel® FAST round. The world of Digital Flexography with sleeve technology has revolutionized the industry through differentiated print quality at reduced total solution cost.

DuPont Graphics will present tags and labels made of DuPont™ Tyvek®: easier to see, more comfortable to wear, and able to stand up to moisture and other challenges. DuPont Graphics products bring strength, durability, and great looks to everything you print! There are thousands upon thousands of uses for tags and labels, and DuPont Graphics has a lightweight, durable solution for all of them—everything from tough, durable DuPont™ Tyvek® to smoother and brighter DuPont™ Tyvek Brillion®.
