Digital Office LLC, Dubai invests in an HP L25500

For Digital Office LLC customer service and quality printing are key selling points. Therefore the installation of an HP L25500 in their branch on Sheikh Zayed Road comes as no surprise.

As underlined by Mr. Faisal Iqbal, General Manager of Digital Office 'HP Large Format solutions are known for good quality prints, which match the vision of Digital Office that aims for delivering high quality services.'

Open 24/7, Digital Office caters to the printing needs of a number of local businesses. The new HP L25500 will meet customer's expectations of print quality just in time. To Mr. Iqbal 'The L25500 is suitable for our environment for being eco-friendly and odorless and the capability of versatile applications printing is a leading edge to offer to our customers.'

The HP L25500 allows the printing of posters, banners, rollups, popups, exhibition stand graphics, product display stands, outdoor media. With the purchase of the L25500 Digital Office wishes to 'grow its services in large format and offer new applications such as wall paper, outdoor banners and vinyls...'

Mr. Iqbal agrees that the HP L25500 is 'reliable and easy to use once the right media profile is set.'

The after sales support should not to be neglected and as per Mr. Iqbal 'Dynagraph has a good team, from sales to service who always show interest and care for our business.'

For more information on HP and its product range please contact your local Dynagraph partner.

Dynagraph traces its roots back to the 1970s. Dynagraph is at the cutting edge of transfer of printing technology.

Dynagraph for Printing Industry llc, Dubai serves as a regional hub, operating from the commercial capital of the United Arab Emirates to coordinate all activity in the Gulf.

Dynagraph for Printing Industry Sal (Offshore) and Dynagraph Lebanon sal cover the near eastern markets.

Dynagraph is a small to medium size business with 90 employees.

Dynagraph aims for a balanced product mix between supplies, prepress, press, after press, converting, consumables and services

In prepress with both standard and bespoke hard and software solutions from DTP to high-end systems Dynagraph deals with manufacturers such as Fuji Film Graphic Arts or DuPont.

In press, sheet and webfed manroland is Dynagraph's partner provides a wide range of highly developed presses and services, whether in commercial, packaging or publishing printing.

In after press, our partners in this sector are leading manufacturers like Kolbus, MBO, Schneider_Senator, Theisen & Bonitz, FERAG, Perfecta and others.

Kolbus offers the most extensive machine range in the industry. Hardcover as well as adhesive bound products such as catalogues, magazines, schoolbooks, paperbacks, and a variety of other products.

Ferag develops and manufactures Postprint components and systems for the newspaper printing industry, offering printers a modular concept.

For special types of projects for the packaging and converting industry, Dynagraph works together with world leading manufacturers and foremost suppliers of products for solid board, corrugated board and flexible packaging industries e.g. Mark Andy, Winkler+Dünnebier,
