

Kolbus shows latest developments on November 23rd and 24th 2011, in Rahden - Germany

Kolbus is offering the ideal opportunity, on the 23rd and 24th of November 2011 in Rahden – Germany, showcasing its latest developments for profitable INLINE-print processing. With the extension of their demonstration centre 'Blue Salon', over 2000 square meters of state-of-the-art technology are available, from which you can experience live demonstrations of high-quality and profitable productions.

Kolbus will be showcasing four lines as following, including make-readies for each of the below areas:

An Inline 70 cycles/minute hardcover line, consisting of ZU 805 gathering machine, KM 600 perfect binder with VA 423 endsheet feeder, HD 143.P three knife trimmer and BF 530 book production line with DS 392 book stacker.

An Inline 30 cycles/minute Sigloch-Kolbus hardcover line for the processing of sewn products

An Inline 9,000 cycles/hour perfect binding line

Competence centre „casemaking department“ (DA 280, DA 270, 2x DA 260, one of those two machines is equipped with all the required modifications for the procession of cases for the packaging industry, PE 312, PK 170).

For more information on Kolbus and its Open House, please contact your local Dynagraph partner.

The KOLBUS Gathering Machine ZU 805

Dynagraph traces its roots back to the 1970s. Dynagraph is at the cutting edge of transfer of printing technology.

Dynagraph for Printing Industry Ilc, Dubai serves as a regional hub, operating from the commercial capital of the United Arab Emirates to coordinate all activity in the Gulf.

Dynagraph for Printing Industry Sal (Offshore) and Dynagraph Lebanon sal cover the near eastern markets.

Dynagraph is a small to medium size business with 90 employees.

Dynagraph aims for a balanced product mix between supplies, prepress, press, after press, converting, consumables and services

In prepress with both standard and bespoke hard and software solutions from DTP to high-end systems Dynagraph deals with manufacturers such as Fuji Film Graphic Arts or DuPont.

In press, sheet and webfed manroland is Dynagraph's partner provides a wide range of highly developed presses and services, whether in commercial, packaging or publishing printing.

In after press, our partners in this sector are leading manufacturers like Kolbus, MBO, Schneider_Senator, Theisen & Bonitz, FERAG, Perfecta and others.

Kolbus offers the most extensive machine range in the industry. Hardcover as well as adhesive bound products such as catalogues, magazines, schoolbooks, paperbacks, and a variety of other products.

Ferag develops and manufactures Postprint components and systems for the newspaper printing industry, offering printers a modular concept.

For special types of projects for the packaging and converting industry, Dynagraph works together with world leading manufacturers and foremost suppliers of products for solid board, corrugated board and flexible packaging industries e.g. Mark Andy, Winkler+Dünnebier,
