Dubai Printing Press goes for a top of the line R705 by MAN Roland

Dubai PP one of the first commercial and magazine printer in the United Arab Emirates opted for a medium format printing press from MAN Roland Druckmaschinen AG

Dubai PP who already runs an R700 decided to meet future challenges in today's competitive market with an additional R705, five color sheetfed offset press. Further improvements in make ready times leave the legendary R700 matchless. The R700 is still famous for its versatility and was once more one of the highlights at this year's IPEX 06 exhibition. – The R700 is a highly versatile and productive machine for a wide range of applications in publications, commercial and packaging printing.
