

Al Ghurair Printing & Publishing, Dubai invests in creativity and innovation

Dubai based printing press, Al Ghurair Printing & Publishing upgraded its end products with its latest acquirement of an Autobond Mini 105 TPHS.

As one of the largest and most successful printing organisations in the Middle East, Al Ghurair Printing & Publishing has a wide range of international clients accross both private and public sectors to provide with unique needs for creativity, innovation, value and control, from books, magazines, directories to financial printing, stationary products, direct mail and packaging.

Installed with Perfector and Stacker options at Al Ghurair Printing & Publishing, the Autobond Mini 105 TPHS can laminate both sides of a sheet in one pass with thermal film. The rising pile, back seperation Heidelberg Speedmaster 102 feed head, combined with vacuum feed table, enables a variety of stock to be handled at high speed, 60 metres per minute. The feeder is fitted with a mill skid plate, allowing a full pallet of print to be loaded from the press. Laminated sheets are fed automatically into a stacker.

For more information on Autobond and its product range please contact your local Dynagraph partner.

Dynagraph traces its roots back to the 1970s. Dynagraph is at the cutting edge of transfer of printing technology.

Dynagraph for Printing Industry llc, Dubai serves as a regional hub, operating from the commercial capital of the United Arab Emirates to coordinate all activity in the Gulf.

Dynagraph for Printing Industry Sal (Offshore) and Dynagraph Lebanon sal cover the near eastern markets.

Dynagraph is a small to medium size business with 90 employees.

Dynagraph aims for a balanced product mix between supplies, pre-press, press, after press, converting, consumables and services

In prepress with both standard and bespoke hard and software solutions from DTP to high-end systems Dynagraph deals with manufacturers such as Fuji Film Graphic Arts or DuPont.

In press, sheet and webfed manroland is Dynagraph's partner provides a wide range of highly developed presses and services, whether in commercial, packaging or publishing printing.

In after press, our partners in this sector are leading manufacturers like Kolbus, MBO, Schneider_Senator, Theisen & Bonitz, FERAG, Perfecta and others.

Kolbus offers the most extensive machine range in the industry. Hardcover as well as adhesive bound products such as catalogues, magazines, schoolbooks, paperbacks, and a variety of other products.

Ferag develops and manufactures Postprint components and systems for the newspaper printing industry, offering printers a modular concept.

For special types of projects for the packaging and converting industry, Dynagraph works together with world leading manufacturers and foremost suppliers of products for solid board, corrugated board and flexible packaging industries e.g. Mark Andy, Winkler+Dünnebier,
